A lounging couch, like the daybeds below, only with drawers. (It could have a trundle instead of the drawers, but the clearance underneath is only 10", so the trundle would be 2" shallower than the Danish and Crofters trundles.)

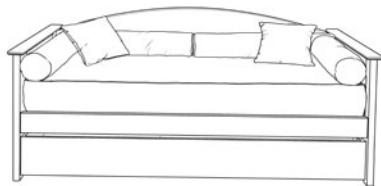

Mattresses and pillows are priced separately.

## Day Beds and Trundles

### Danish Day Bed

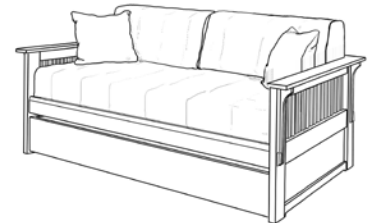

### Crofters Day Bed

*These are lounging couches. One curls up in a back corner, with feet tucked underneath, to read a good book or gossip with friends.*

*Mattresses are all 38 x 74.*

*The top of the mattress is about 25" from the floor.*

The *Danish* and *Crofters* Day Beds include the top twin size frame, with a Serta, *Pure Response Latex* mattress wrapped in a corded, box-style futon cover in a grade C or D fabric of your choice. Two (16") throw pillows, in the same or a complementary fabric, are also included. The *Danish* has four 8" diameter bolsters; the *Crofters* has two large wedges. These prices include grade C/D fabric for the covers. (add \$60 for grade E or subtract \$100 for grade B.)

The *Trundle* is the new, taller drawer (9¼" inside depth) with a *Night Whisper* innerspring mattress included. A futon cover for the lower mattress would be optional and extra.
