The above prices include: two outside cabinets [each 15" deep x 85" tall for the full (90" tall for the queen) with an inside width of 27¾" (or 30¾" for the queen) and including one adjustable glass and 3 adjustable wood shelves. The lower doors will be the customer's choice of traditional solid raised panel doors, Craftsman flat panel doors, or our unique Tansu doors. The top glass panel doors will be customer's choice of flat glass or beveled glass in the same style door as the lower ones.

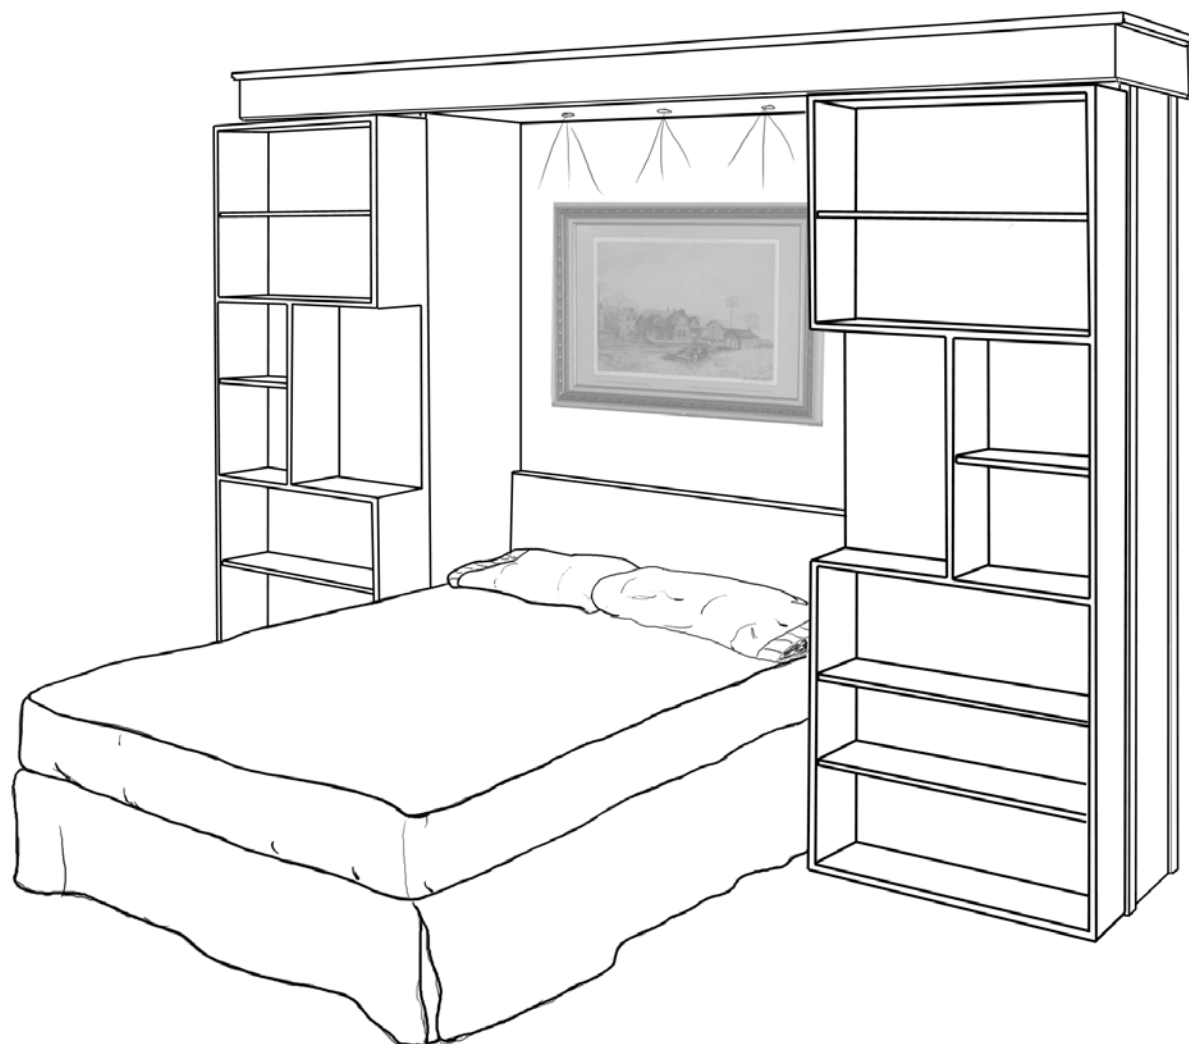

Each sliding library bookcase is 9¼" deep x 80¾" tall for the full (85¾" for the queen) x 29½" wide for the full (32½" for queen)(outside dimensions) and has a 125-pound weight capacity. Each is solid hardwood, with mitre corners and dovetail joints and slides on tracks hidden by the 6" tall valance. Equal distribution of weight is recommended.

The bed projects 83½" from the wall for full size, 88½" for queen size when folded out for sleeping.

There are 3 lights in the bed area; the touch dimmer is centered on the 2¼" deep headboard.

A slanted back rest slips into place when you open the bed.

Small pegs are used on these cabinets. Optional handles might not be possible, since any handle used cannot extend more than 1" from the cabinet face.

This package includes a TempurPedic *Advantage* mattress (8" thick). For one of the other listed mattresses, change the total cost by the difference in mattress prices.
