Linnaea Bed

Unlike any of our other beds in looks but as rock-solid as all of our furniture, the Linnaea bed displays a beautiful *floating* padded headboard. You have unlimited choice of fabric—it is customer-supplied—which you can buy from Hardwood Artisans or elsewhere. The twin and full sizes use 2 yards of fabric (add \$425 for *Savoy* or *Caledonian* leather); the queen and king sizes require 3 yards (add \$530 for *Savoy* or *Caledonian* leather.) The headboard is 44" tall in the center (of a queen) and the footboard is 23" tall in the center. Twins and fulls are 79¼" long; queens and kings are 84¼" long. This bed looks great with mattresses ranging from 10" thick to 14" thick. The drawing shows a 10" mattress.
