

The New American Classic Collection Dressers and Chests

Classic pieces are all-solid with raised panel sides; cove rout details; raised drawer faces with brass hardware; dovetailed, scalloped pedestals; and solid-raised-panel doors. Capt. Kidd's Chests can be modified to be used as TV stands and media storage units. Classic mirror tops include two drawers with one jewelry caddy and one liner; mirrors are beveled. All units are 19" deep unless otherwise noted.
