

## New American Craftsman

- Arts and Crafts influenced
- overhang top with square edges
- split-panel solid sides
- 6" legs (4" on nightstands)
- wooden peg pulls
- if doors: frame & flat solid panel

## New American Classic

- A traditional look
- overhang top with cove edges
- solid raised panel sides
- raised drawer faces
- scalloped & dovetail pedestal
- brass hardware
- if doors: frame & solid raised panel

## Mid Century

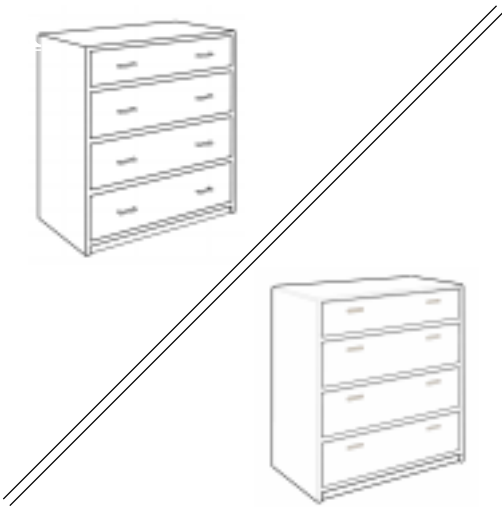

- Mid Century Modern styling
- Distinctive floating top
- Organic curved drawer pulls
- exclusive to Hardwood Artisans
- Solid hardwood--hand crafted
- if doors: flat veneer

## Shaker

- Shaker-*like* in its simplicity
- 1/2" overhang top with 1/2" radius edge
- recessed veneer-panel sides
- mitre-corner pedestal
- wooden knobs
- if doors: solid sweep-edge raised panel

## Modular/Contemporary

- Modern and versatile
- solid flat slab sides & top joined with lock-mitre joint
- 1 1/2" recessed kickplate
- optional cutout pedestal available (increases height of chest by 2 1/2")
- brass handles #661/ finger grooves
- Contemporary has all rounded edges and mitre-corner door frames

## Waterfall

- hint of a pagoda shape
- solid interior drawer case in a gracefull exterior curved frame
- unique top is 6" deeper and 10" wider than the interior drawer case
- Japanese "*National Treasure*" handles
- if doors: Tansu panel with chamfer
