Both Tall Secretaries (A) & (B) include square edges; wooden knobs; notched pedestals; a fold-down desk with organizer; a pencil drawer; and a cabinet at the top with beveled glass-panel doors, two lights and one glass shelf. The base of (A) contains a cabinet while (B) contains a large lateral file and medium center drawer.

(C) & (D) both have rounded edges, brass knobs and arched pedestals; fold-down desk with organizer; pencil drawer. The top cabinet has mitre corner, flat glass-panel doors, adjustable glass shelf & two lights. Lower cabinet doors of (C) have mitre corners & flat solid panels. Drawers of (D) have rounded edges.

Open Bookcase top (as shown in drawing "C"):

Subtract \$320 from the listed price on any of the four versions for two adjustable shelves in the top section instead of the enclosed cabinet. Request: "open bookcase top".

Subtract \$180 for no lights in any unit. Request: "no lights."

Add \$45 to have wavy glass in the top doors
